Bijou Comedy Company.

At the opera house on Saturday evening, the Bijon Comedy Company presented Bartley Campbell's drama, in four acts, entitled "My Partner." The play is not one of the type into which the characters are dragged, merely to set off some sensational incident; but is an admirable piece of character-drawing, and like all the plays in the repertoire of this talented company, is clean and honest in its moral tone. It abounds in pathetic touches, but it constantly moves the audience to hearty laughter. The romantic and interesting incidents peculiar to life in the gold

THE HONOLULUS BEATEN.

The Kamehamehas Play a Good Fielding Game and Carry off the Honors -A Large Attendance.

The weather was gloriously fine on Saturday and this with a good game of baseball in view attracted an immense number of people to the Makiki grounds. The grand stand lined with spectators, a large proportion of whom were in carriages. arrested at Kaalae, Koolau, Sunday It was really the first game played by the Honolulus, their opponents being the Kamehamehas. The game was a very interesting one throughout and ended in a very different manner to what a number of people thought it would. The fact of the matter is the Kamehamehas are putting up a fine game of ball this season, and no one will begrudge them their victory. In the way of gentlemanly playing a wholesome lesson can be learned from them.

The game was not won by the Kamehamehas' good batting-for they only made four safe hits—but by the bad fielding of the Honolulus. They made errors which were very costly. Lucas was effective with the ball. striking out no less than eleven of the Kamehamehas. Wodehouse did not play his usual game at all, while Whitney's good batting powers seemed to have deserted him. He played a good second base and Parker guarded the first bag in good shape. The Kamehamehas all fielded well. Mr. W. A. Wall was the umpire behind the bat and filled the position in the most satisfactory manner. Next time it is to be hoped he will call out the strikes and balls a little louder so that all can hear ceny of three gold finger rings valued him. M. K. Keohokalole watched the bases.

A laughable incident took place during the eighth innings. Two little Portuguese boys both got hold of a broken bat, and there was a tussle as to whom it should belong. Finally the smallest one of the two threw off his hat and settling to work with increased vigor, soon wrested the coveted prize from the other. The latter losing the bat then showed fight, but the little fellow handing the broken bat to a companion was quite ready, and they punched each other lole. for a moment or two until driven off

Davis was out at first, while Mahuka followed Crowell's example. 2 runs.— The Honolulus retired quickly. G.Lucas flied to Mahuka, while Whitney and Fredenberg both failed to reach the first bag. No runs.

Fourth innings—Lawelawe hit a single to left field, but spoiled his chance of scoring by not being quick enough in his attempt to steal sec-ond. Makaimoku flied to W. Fifth innings—The Kamehamehas retired quickly, Richards, Pahau and Wise all fanning the air three times with great skill. No runs.—G. Lucas placed the ball in left field and stole his second. Whitney was unable to reach first; Fredenberg gave an exhibition of fanning. A Lucas was hit by a pitched ball and stole second. He was left there as his brother George in trying to get home was put out. No runs.

They didn't get them, but came pretty near it. W. Lucas hit a daisy for two bags, but in his eagerness to get to the plate was put out. Wodehouse flied to Richards. G Lucas was hit by a pitched ball and took first. Whitney made a base hit but it did not avail anything as Fredenberg struck out. No runs.

ANOTHER FIRE.

A Lamp Explodes in a House on Richard

About five minutes before 11 o'clock, Saturday evening, the central tower bell rang out an alarm of fire, followed a few minutes later by a general alarm. A one-story house on Richard street, just below Queen street, was all ablaze when the alarm was rung, and there was danger of the flames communicating to the Enterprise Mill on the opposite side of the road. Fortunately there was very little wind, and the fire department being prompt, though there was a slight delay in getting water, the fire was soon got under control and was confined to the house where it started and part of the next building. A small hose was in use on the Enterprise Mill buildings and kept them pretty wet. The house where the fire started

was formerly occupied by Tom Short. a prison luna. A native woman was living in it on Saturday. She went out in the evening leaving a lamp burning in one of the rooms. The next house was occupied by natives and they heard a noise as if a gun had gone off. A minute later flames of fire came into the room where they were sitting, and they were compelled to beat a hasty retreat, saving only a few things. The house where the lamp exploded was badly burned. The two places belong to Mr. Isaac Kaiama, and are insured for \$700. Fire Marshal White made an investigation and is satisfied that the fire was caused by the explosion of the lamp,
